WHY AN ULTRASONIC SYSTEM?

Precision

Because ultrasonic energy penetrates into crevices and cavities, any type of instrument can be cleaned.

Speed

Ultrasonic cleaning is faster than any conventional cleaning method in the removal of soil and contamination.

Consistency

Unlike manual cleaning, ultrasonics offers unmatched cleaning consistency.

Bonus

Clean your clients jewelry while they have their service done!

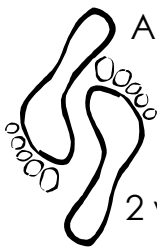

ULTRASONIC CLEANER \$89.95

LET'S TOUCH DISINFECTANT

1oz \$4.50
